

MY SCHOOL

A Poem by
Master Khuzaimah Majid (8th)

*It's about a special school;
the valleys first boarding school,
the valleys best boarding school,
named as the Scholars' School!*

*sometimes it's sunny, sometimes it hails,
sometimes it's snowy & sometimes it rains.
scholars wear all cotton and wool,
only in my Scholars' School!*

*English, Urdu, Science classes
Maths, Geography & Civics classes
History and Qur'aan classes
are all held in my Scholars' School!*

*scholars play Cricket and Football,
scholars play Badminton and Volleyball,
scholars swim in the swimming pool,
only in my Scholars' School!*

*for breakfast we get yummy tea,
at lunch are served rice and veggies like Pea,
at dinner we eat rice and lentils or meat,
only in the mess of my Scholars' School!*

*if you are looking for a boarding school,
do come & check my beloved school,
for sure you will be amazed to see,
the family that you shall see at my Scholars' School!!!*
